

ANNOUNCING....

**'PAVE THE WAY' *for the* CONNECTICUT CENTER
for CHILD DEVELOPMENT**

The Connecticut Center for Child Development (CCCD) invites you to become a permanent part of the new Wolf Harbor Road Campus by purchasing a commemorative brick for our walkway. The walkway will be installed in front of the main entrance of the building. Purchasing a brick is an easy way to leave a lasting family legacy while supporting CCCD at the same time. **An engraved brick is also a great way to commemorate a birthday, anniversary or other milestone and would make a great holiday gift!**

Engraved on your custom brick could be your name, family name, a student or alumni's name, your business or organizations name, a favorite quote, etc. Or you could chose to engrave a brick in honor of someone special, a favorite teacher, or in a loved one's memory. Bricks are the standard 4x8" size and we will try to accommodate your engraving wishes as long as they fit into the engraving boundaries.

The brick order form is attached.

Since CCCD is a non-profit organization, donations for bricks are tax-deductible. If you have any questions regarding the ordering process, please contact Diana Barros at (203) 306-0005 ext. 304 or by e-mail at barros@cccinc.org.

The deadline for ordering bricks to be installed prior to the Grand Opening Ceremony is February 2, 2010. However, you may purchase a brick at anytime after the opening of the new school.
